

CARIBBEAN JOURNAL OF SCIENCE

Vol. 40

(ISSN 0008-6452)

No. 2, 2004

Articles:

- Illegal Extraction of Forest Products in Laguna de Apoyo Nature Reserve, Nicaragua
..... J. K. McCrary, A. L. Hammett, M. E. Barany, H. E. Machado, D. J. García, and
J. I. Barrios 169
- The Occurrence of *Neogoniolithon fosliei* (Heydrich) Setchell et Mason in the Mexican
Caribbean and the Relationship of this Species to *N. solubile* (Foslie et Howe) Setchell
et Mason (Corallinales, Rhodophyta)Luz Elena Mateo-Cid and Francisco F. Pedroche 182
- Development of *Cerithiopsis gemmulosum* (Gastropoda: Cerithiopsidae) from Bocas del
Toro, PanamaRachel Collin 192
- Revision to Species of *Cyclura nubile lewisi*, the Grand Cayman Blue Iguana
..... Frederic J. Burton 198
- A Quarter Century of Variation in Color and Allometric Characteristics of Eggs from a Rain
Forest Population of the Pearly-eyed Thrasher (*Margarops fuscatus*)Wayne J. Arendt 204
- Cytogenetic Characterization of *Thalassophryne maculosa* Günter, 1861 (Pisces:
Batrachoididae) from Margarita Island, Venezuela
..... M. Nirchio, A. S. Fenocchio, A. C. Swarça, A. L. Dias, L. Guiliano-Caetano, E. Ron,
J. I. Gaviria and J. E. Pérez 218
- Reproduction of a Landlocked Diadromous Fish Population: Bigmouth Sleepers
Gobiomorus dormitor in a Reservoir in Puerto Rico
..... Nathan M. Bacheiler, J. Wesley Neal and Richard L. Noble 223
- Degree of Fragmentation Affects Fish Assemblage Structure in Andros Island (Bahamas)
Estuaries
..... Craig A. Layman, D. Albrey Arrington, R. Brian Langerhans, and Brian Reed Silliman 232
- Diurnal Stream Drift of Benthic Macroinvertebrates on the Small Oceanic Island of
Dominica, West IndiesDavid Bass 245
- ## Notes:
- Small-scale Macroinvertebrate Distribution in a Riffle of a Neotropical Rainforest Stream
(Río Bartola, Nicaragua)S. Fenoglio, T. Bo and M. Cucco 253
- Population Densities of *Diadema antillarum* Philippi (Echinodermata: Echinoidea) at
Cahuita National Park (1977–2003), Costa Rica
..... Juan José Alvarado, Jorge Cortés and Eva Salas 257
- A New Breeding Population of *Oxyura jamaicensis* (Ruddy Duck) on St. Martin, Lesser
AntillesAdam C. Brown and Natalia Collier 259
- Communal Nesting Site in the Snake *Liophis juliae* in Dominica, West Indies
.....Arlington James and Robert W. Henderson 263
- Diurnal Refugia and Novel Ecological Attributes of the Bahamian Boa, *Epicrates striatus*
fowleri (Boidae)Charles R. Knapp and Audrey K. Owens 265
- Correlation among Dorsal Body, Iris and Tongue Color in a Local Population of Treeboas
(*Corallus grenadensis*) on Grenada, Lesser AntillesRobert W. Henderson 270
- The Occurrence of *Stemonitis splendens* (Myxomycota: Stemonitales) on *Rhizophora*
mangleÁngel M. Nieves-Rivera and Steven L. Stephenson 273
- Structural Control on Cave Development in Cretaceous Limestone, Southern Puerto Rico
..... Thomas E. Miller 276
